

Accessing *HomeSafe Connect* on Your Smart Device

HomeSafe Connect, the HomeSafe Alliance technology platform, is your personalized move portal for planning, accessing valuable information, and receiving updates during every stage of your move. ***HomeSafe Connect* is not an app you will need to download.** Instead, you will navigate to the platform by visiting [HomeSafeConnect.com](https://www.homesafeconnect.com). Using your Apple or Android device, we recommend creating a bookmark that serves as a quick app-like access point on your home screen.

Apple Device Instructions

- 1 In your web browser, go to [HomeSafeConnect.com](https://www.homesafeconnect.com).
- 2 Tap the  button at the bottom of the screen, scroll down, and select “Add to Home Screen.” Tap “Add” to save it to your home screen.
- 3 You will see the HomeSafe icon on your home screen. Tap it to access *HomeSafe Connect* at any time.

Android Device Instructions

- 1 In your web browser, go to [HomeSafeConnect.com](https://www.homesafeconnect.com).
- 2 Tap the three dots in the top-right corner, scroll down, select “Add to Home Screen,” name the bookmark, and tap “Install.”
- 3 You will see the HomeSafe icon on your home screen. Tap it to access *HomeSafe Connect* at any time.
